

TRNG Variables TRNG Condition

TRNG Variables Condition

Die Zahl bezieht sich auf die Nr. des Condition Triggers, nach der man im [TE](#) suchen kann.

Text Variable

- 93: Variables. The (E)Text Variable is even than <#>NG String (Case sensitive comparison)
- 94: Variables. The (E)Text Variable is even than <#>NG String (Not case sensitive comparison)
- 95: Variables. The (E)Text Variable is even than <#>TextVariable (Case sensitive comparison)
- 96: Variables. The (E)Text Variable is even than <#>TextVariable (Not case sensitive comparison)
- 97: Variables. The <#>Text Variable is a (E)string

Code Memory

- 53: Variables. The <#>Code Memory has the (E)Bit clear
- 52: Variables. The <#>Code Memory has the (E)Bit set
- 51: Variables. The <#>Code Memory is < than Current Value
- 49: Variables. The <#>Code Memory is = than Current Value
- 50: Variables. The <#>Code Memory is >= than Current Value

Numeric Variable

- 45: Variables. The <#>Numeric Variable has the (E)Bit clear
- 44: Variables. The <#>Numeric Variable has the (E)Bit set
- 39: Variables. The <#>Numeric Variable is < than (E)Big Number value
- 42: Variables. The <#>Numeric Variable is < than (E)Value
- 40: Variables. The <#>Numeric Variable is = than (E)Big Number value
- 43: Variables. The <#>Numeric Variable is = than (E)Value
- 38: Variables. The <#>Numeric Variable is >= than (E)Big Number value
- 41: Variables. The <#>Numeric Variable is >= than (E)Value

Current Value

- 47: Variables. The Current Value variable is < than <#>Value
- 48: Variables. The Current Value variable is = than <#>Value
- 46: Variables. The Current Value variable is >= than <#>Value
